Dear Commission Members,

RE: Submission from Mannkal Economic Education Foundation to the Productivity Commission – Public Hearings (Philanthropy)

In 2013 our Mannkal Economic Education Foundation submitted details which approximate your requirements for your current invitation.

The main issue at hand, then, was the ATO's desire to increase the 5% donation rate to 15% and fortunately this was avoided.

As most of the other information is still current, we submit full details for your consideration, in the hope that the points covered could be taken into consideration during your inquiry.

Yours sincerely,

Ron Manners,
Founder & Director
