The Principal Officer
Productivity Commission
Architects Inquiry
LB2, Collins Street East
MELBOURNE VIC 8003

Dear Sir/Madam

Deregulation of the Architectural Profession

As a registered Architect, I strongly support the view of the Architects Board of Western Australia with respect to registration of Architects.

Registration of Architects maintains a measure of quality control and assurance that, a registered Architect is a person who is appropriately qualified and trained to serve the public,

I seek your support for the retention of registration as currently exists.

Yours faithfully
