Dear Sir

I, Greg Boyd, am a registered architect and work in the role of General Manager, Building Projects for a multi national insurance group, banker and fund manager with property assets under management in Australia in excess of \$3 billion. I am responsible for the structuring and deliver of building projects throughout Australia. I support the view of the Architects' Board of Western Australia in that it is paramount that registration of Architects is retained and that the most appropriate model is a Uniform Act across Australia administered by local state or Territory boards.

Yours sincerely
Armstrong Jones Project Management Pty Ltd

Greg Boyd
