

## PIGMEAT SAFEGUARDS INQUIRY

### Requested information

1. What is your firm's annual output at each stage of production?

	<i>Growing pigs</i>	<i>Abattoir</i>	<i>Boning</i>	<i>Smallgoods manufacturing</i>
Quantity				
Value (\$)				

2. Prior to the smallgoods manufacturing stage of production, what proportion (%) of your pigmeat sales or pigmeat production goes to:

<i>Domestic fresh-retail</i>	<i>Own manufacturing</i>	<i>Other domestic manufacturing</i>	<i>Export</i>

3. If your operation includes manufacturing, from where do you currently source your meat, and how has this changed over time?

	<i>Own grown</i>	<i>Other domestic grown</i>	<i>Imported</i>
Current share (%)			
Share 1 year ago			
Share 3 years ago			

4. What are the main factors that affect your decision as to whether to use domestic or imported product?

<i>Factor</i>	<i>High importance</i>	<i>Medium importance</i>	<i>Low Importance</i>
Price			
Quality			
Certainty of supply			
Meeting specific requirements			
Other considerations (please specify below)			

(Please see over)

5. The WTO Agreement on Safeguards outlines a number of factors that are relevant in assessing serious injury for a domestic industry. We are interested in gauging changes in the following indicators of your company's performance, and what you consider to be the main reasons for those changes.

<i>Indicator</i>	<i>% change, year to Oct '07 compared with year to Oct '06 (if another time period, please specify)</i>	<i>% change, year to Oct '07 compared with year to Oct '04 (if another time period, please specify)</i>	<i>Comments</i>
Sales value: <i>Domestic</i> <i>Exports</i>			
Production volume			
Profits			
Capacity utilisation			
Employment levels (full time equivalents)			

6. In order to assess whether serious injury is **threatened**, under WTO rules, the Commission also seeks information about anticipated changes in the following indicators over the next 12 months:

<i>Indicator</i>	<i>Expected % change over next 12 months</i>
Output	
Domestic sales	
Exports	
Profits	
Employment levels	
Investment	
For manufacturers:	
<i>Your imports</i>	
<i>Your inventories of frozen pigmeat</i>	

(Please see over)

7. Do you have any other comments about the impact of imports of frozen pigmeat on your operations?
